Health Unit Activity Is Explained

Dr. S. S. Shouse, District Health Officer for Appomattox - Campbell-Charlotte Counties, and Nursing and Sanitation Staffs attended the State Health Workers' Conference in Roanoke April 27-29. Approximately 400 workers heard a constructive approach to some of their problems. High points of the meeting included: Dr. Wm. F. Wagner, Director, Bureau of Tuberculosis Control, who told his hearers that tuberculosis had taken a beating since the turn of the century with mortality during the intervening period reduced 80 per cent. New techniques in the treatment call for a reorganization of health program, he said. Recent development in treatment in conjunction with an increased consciousness of tuberculosis on the part of the people were held to be the principal reason for the probable eradication of the disease within the next generation. The most important development in detection of tuberculosis was considered by the doctor to be mass x-raying of the population with the microfilm process.

Dr. J. C. Neale, Jr., Director, Local Health Services, was general chairman for the meeting.

Dr. Mason Romaine, Director, Bureau of Cancer Control, explained the objectives of the State Bureau which included a record registry and maintaining close cooperation with local physicians and hospitals - offering laboratory services for a biopsy to any Virginia physician whose patients are unable to pay the regular charge and to cooperate with the Virginia Division of the American Cancer Society in diagnostic centers and general program.

Mrs. Augusta F. Jarman, Director Service Program, Virginia Division of American Cancer Society, presented the overall program of American Cancer Society in Virginia and its relation to local health and welfare program.

Dr. L. J. Roper, State Health Commissioner, emphasized the place for both the official and volunteer workers in the health program.

Hope that children soon may have 40 per cent less tooth decay was held out by Dr. W. H. Rumbel, Director, Bureau of Dental Health. Dr. Rumbel said clinical evidence showed the new sodium fluoride treatment now being demonstrated in Virginia cuts tooth decay incidence by 40 per cent. "We are hoping the present Congress will continue the program," he said, and asked tolerance, "because of our critical shortage of dental personnel at the present time—we just can't get around to all the counties," he said.

Speakers of the conference repeatedly pointed out that with trends in medical research it is imperative that all public health workers keep ahead of the times and work more effectively toward the goal of Public Health.

Report of Health Unit to Board of Supervisors for April, 1949:

Pre-school clinics have been made in 12 of the schools. 99 of the children who are to enter school this fall were examined. Of these there were 86 who had physical defects. Clinics have been scheduled this month for the remaining three schools.

131 Immunizations given to children: immunizing them against diphtheria, pertussis and smallpox.

20 crippled children are now under supervision.

15 visits were made in tuberculosis control.

A mass x-ray clinic for the control of tuberculosis will be held at Max Wheeler's Service Station on June 1.

12 laboratory examinations were made this month.

51 visits were made in the control of sanitation.

10 feed establishments are now certified as meeting requirements of the state law.

The report was submitted by Dr. S. S. Shouse, Health Officer.

Phone 30 with Personals.

TOP JUDGING TEAM - The judging team of the Appomattox Chapter of the Future Farmers of America scored 1757 out of a possible 2400 points to win the 1949 Hub Federation judging contest. Members of the team are, left to right: Lewis Harvey, Harold Stratton, James Marshall and H. B. Pack, coach.

The dairy judging team of Appomattox High School won the Dairy Judging Contest of the Hub Federation of Future Farmers of America. The team from Concord High School was second and New London third. Harold Stratton, of Appomattox won first place with a high score of 670. D. Adkinson, of Rustburg and Elliott, of Gladys High School tied for second with scores of 590.

The Hub Federation consists of high school boys enrolled in vocational agriculture in the counties in this area.

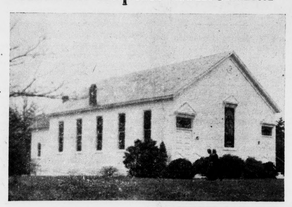
Garden Club Meets Monday

The Appomattox Garden Club will have its regular meeting this Monday night, May 23, at 8 o'clock in the school cafeteria. The following will be hostesses: Mrs. L. Crawley, Mrs. C. F. P. Crawley, Mrs. DeWitt Evans and Mrs. C. M. Stratton. The program leader, Mrs. J. C. Caldwell, has secured slides from the National Council of Garden Clubs on the subject of Hemerocallis Lilies. The exhibits for the month will be an arrangement in any manner of roses and iris, and the monthly exhibit.

Rain and thunder storms hit big areas last week-end.

Coal dealers rap sales tax.

Hebron Baptist Centennial



On Sunday, May 29, the Hebron Baptist Church, of Appomattox County will celebrate its one hundredth anniversary with an all-day meeting. The morning program includes: a presentation of the history of the church, special music, and a sermon, "Jesus, the Author and Finisher of Our Faith," by the pastor, the Rev. G. Edward Hughes.

At 12:30, lunch will be served on the grounds. The afternoon service begins at 2:00 P. M. with a song service of old familiar hymns, followed by greetings from former pastors and pastors of the Appomattox Association. The Rev. W. M. Black will deliver the sermon in the afternoon.

Hebron Church was organized in 1849 with twenty-five members. For some time prior to the organization of the church, and while the house of worship was being built, a Sunday School was conducted in Porter's Old Store House on the Springfield road, near where I. B. Wheeler now lives.

In the early history of the church Negro slaves in the community or those whose owners belonged to Hebron were admitted to the church as they were converted and presented themselves for membership. This practice, which was general throughout this part of Virginia was in effect until the end of the War Between the States. The old church had a gallery extending over more than one-third of the interior.

In the period prior to the turn of the century probably more people lived in the community surrounding Hebron Church than at this time. The old building was filled to overflowing so often that it became apparant to all that a new house of worship should be erected. A new building was constructed and dedicated free of debt the second Sunday in July, 1896. In 1902 a home was built for the pastor. In 1938 Sunday School rooms were added to the church and dedicated free of debt.

The church has a membership of 187. It has recently been redecorated for the centennial celebration.

Friends of the church are cordially invited to attend the centennial.

School Classes Present Plays

"Double Feature," an annual presentation by the Music Appreciation and Latin Classes, will be given on Wednesday, May 25, at 8:00 P. M., in the Appomattox High School auditorium. It will be under the direction of Mrs. Wiley Morris and Miss Harriett Holley.

The Music Class will present, "Songs from the Heart of America," and the Latin Class will offer "Dido, Queen of Carthage," a tragedy of 1500 B. C.

The people of the community are cordially invited to attend. Tickets may be purchased from students or at the door.

APPOMATTOX BOY TAKES SPECIAL TRAINING

Pvt. Braxton C. Garrett, son of H. S. Garrett, of Appomattox, is now a student in the Physical Reconditioning Instructors Course being given at Medical Field Service School. A component of Brooke Army Medical Center, Fort Sam Houston, Texas, this school trains both officers and enlisted personnel for medical service in the Army.

Upon completion of the highly concentrated course, the graduates will be assigned to technical jobs of importance in the Medical Department.

May Queen To Be Crowned At A. H. S.

Miss Mildred Alice Wood, daughter of Mr. and Mrs. D. M. Wood, of Appomattox, R. F. D. 3, will reign as queen of the Appomattox High School May Day, which will be held May 20 on the campus of the school. She will be attended by Miss Gwendolyn Shuford as maid of honor, and the following attendants: Misses Eulelia Robertson, Helen Lane, Joyce Christian, Helen Mae Poe, Virginia Lewis, Jean Moore, Loretta Thomas, Sue Moore, Virginia Herndon, Lora Fleshman, Shirley Faye Doss and Louise Burnett.

Coronation of the Queen will take place at 11:00 A. M. Grade pupils will participate in the following activities: calisthenics, Hungarian dance, Cub Scout drill, Dutch folk dance, stunts, creative dance, singing dance, rhythmical dance, Virginia Reel, American folk dance, international flag march, balloon dance and Maypole dance.

Track and field events will begin at 12:00 noon. Lunch is scheduled for 1:00 o'clock and Appomattox High School will play Cumberland High School in a ball game at 2:00 o'clock.

4-H Club Activities

Appomattox County 4-H boys and girls are hitting full stride this month as they prepare to stay busy the whole year instead of just doing off when school is out.

Last week all clubs had their regular monthly meetings and the Holliday Lake quota for July 4-9 was completely filled. It is hoped that the county's quota may be raised so all who desire may attend.

Dan Carson, Leon Paulette, Mildred Mann and Celia Jo Coleman are planning to attend the State Short Course at V. P. I., on June 27 - July 2.

The County 4-H Council will meet on Friday, May 20, at 9:30 A. M., in Mrs. B. G. Anderson's office to plan for summer recreation and for an Honor Club Party. The committee reporting on this entertainment is composed of Dan Carson, chairman; Ann Cabell and Shirley Mitchell.

Rural Life Sunday is being observed this month by all clubs. Appomattox Clubs will meet at the Presbyterian Church at 11:00 A. M. May 22, where Dr. W. Twyman Williams will bring the address. Boys and girls are planning to decorate the church and also will act as ushers for the ceremony.

Five 4-H Club boys have secured purebred female pigs for a purebred pig and livestock improvement project this year. They are: Warren Scruggs, Kenneth Jamerson, Thomas Weakley and W. C. Storey, Jr., and Herman Puckett, Jr.

Early unconfirmed reports indicate that Virginia is winning the first battle in the Corn War with North Carolina. Some old timers are shaking their heads and muttering that it will take young blood to win the war. This writer has a funny feeling that when the warclouds have settled and the victory has been won, you'll see a smiling tow-headed Appomattox boy clutching a silver pitcher in his arms and standing in a bed of Four Leaf Clovers.

Community Workshop Is Reorganized

At the last in a series of ten "workshop" meetings on Thursday night it was decided that the results warranted the continuance of the meetings. The following board of directors was named: Mrs. J. C. Caldwell, chairman; H. B. Pack, co-chairman; Gordon Bragg, playground director; Mrs. F. F. Carr, secretary; C. T. Moses, Jr., treasurer; C. K. Hunter, finance chairman. The name, Appomattox Recreational Council, was changed to The Community Worshop, so that the activities might be broadened.

The summer recreational program starts June 13. Hours will be from 9 until 12 noon and from 2 until 5 P. M., Tuesday through Friday. Monday will be set aside for swimming instructions at Holliday Lake. Mr. Bragg is director, and two boys are being trained by the Red Cross Training Course to assist in swimming instructions.

Lions Club Sponsors Ball Game May 24

Lexington, Va., May 18.- Washington and Lee's baseball team will wind up its season with a night game Tuesday, May 24, against the Appomattox town team at Appomattox, Coach R. A. (Cap'n. Dick) Smith has announced.

The Generals concluded their play in the Six Six circles last week, finishing the season with a record of four wins and five defeats in competition with Virginia colleges.

Coach Smith said he may send Jim Maver, a freshman righthander, to the mound against the Appomattox nine. Maver, an ex-GI, has been a mainstay on the Generals' staff all season. He is regarded as one of the finest hurling prospects to join the W & L nine in years.

Leading hitter of the Generals is Captain Brian Bell,an All-State first baseman of last year who is currently batting at .350. Bell, a senior, will graduate this June after performing on the diamond and the gridiron for three years.

Other leading hitters of the W & L nine are Freddie Vinson, second base; Charlie Agnor, shortston, and Willis Woods, centerfield. All are batting over the .300 mark.

The Appomattox Lions Club will sponsor a baseball game at the Lee Theatre Park on May 24, 8 P.M., for the benefit of its community recreational program. The participating ball teams will be the Appomattox Skyline League team and the Washington and Lee University team. Nets proceeds of the game go to the Lions Club fund. Tickets are now being sold by Lions Club members, and also will be available at the gate.

Free Clinic Is Scheduled

The Health Department, in cooperation with the Tuberculosis Association, will conduct a Chest X-Ray Clinic at Red House on May 31, and at Max Wheeler's Service Station, Spout Spring, on June 1st.

The clinics are for the purpose of detecting tuberculosis in its earliest stage before the patient is aware of his infection. By having the diagnosis made early he is enabled to have proper care and thereby protect himself and his associates. The examinations can be made rapidly, without undressing. All persons over 15 years of age are urged to attend. There will be no charge for this service.

PAMPLIN 4-H CLUB

The Pamplin 4-H Club met Monday, May 16 at 10:30 A. M. A picnic was planned for Thursday, May 26. The officers plan to attend a county council meeting at Appomattox Friday, May 20.

-Reporter: Dorothy Lee Richardson.
